Maldives, December 2025 – This festive season, SO/ Maldives invites the world’s style-setters, wellness lovers and holiday escapists to experience a different kind of Red Carpet moment, one that begins beneath the skin and radiates outward. From 18 December 2025 to 30 January 2026, the ultra-stylish private island resort welcomes Dr. Aradhana Ghyas, renowned holistic health expert, for an exclusive Visiting Spa Practitioner residency, adding a powerful wellness dimension to its signature festive celebrations.

Known for curating experiences that blur the lines between fashion, art and lifestyle, SO/ Maldives is redefining festive indulgence. Think less excess, more elevation. Less recovery, more radiance. This season, the resort’s Red Carpet Festivities are not only about dressing to impress but about feeling luminous, balanced and unapologetically well.
