IRIS & WILD IRIS – Rooftop Bar & Restaurant SO/ Bangkok

A Rooftop Riviera Vibe Above the City

SO/ Bangkok announces the opening of Iris & Wild Iris, a new rooftop bar and restaurant located on the 29th floor of the hotel, overlooking Lumpini Park and Bangkok's city skyline. The venue introduces a French Riviera-inspired concept that balances a relaxed daytime setting with a more animated evening atmosphere, offering guests a new dining and social space above the city.

The name Iris & Wild Iris reflects two complementary moods. Iris presents a calm and composed dining environment, while Wild Iris introduces a more energetic tone as the evening progresses. The design combines soft architectural curves, warm materials and ambient lighting, creating a setting that transitions naturally from sunset to night.

The culinary direction draws on Southern European influences, with a menu inspired by French, Italian and Spanish cuisines.

Dishes focus on seasonal ingredients and Mediterranean flavours, accompanied by a considered wine selection and a range of house cocktails designed to suit both early evening and late-night occasions.

Iris & Wild Iris is arranged across three connected spaces. Iris offers an indoor dining area, Iris Terrace provides outdoor seating with park views, and Wild Iris functions as a rooftop bar. The design of Wild Iris is inspired by the concept of The White Peacock, expressed through subtle architectural elements that introduce movement and depth into the space. Live DJ performances take place in the evenings, contributing to the venue's atmosphere.

Intended for hotel guests and city residents alike, Iris & Wild Iris is positioned as a contemporary meeting place for dining, conversation and informal social gatherings. The opening supports SO/ Bangkok's ongoing focus on lifestyle-led hospitality within the hotel's food and beverage portfolio.

"We see Iris & Wild Iris as an extension of SO/ Bangkok's approach to design and social spaces, offering a setting that is relaxed, considered and relevant to today's guests," said Mr. Pawatt Ongvasith, Chief Executive Officer of SO/ Bangkok.

The opening of Iris & Wild Iris marks a significant milestone in reinforcing SO/ Bangkok's position as a leader in contemporary, fashion-forward hospitality. "We are positioning Iris & Wild Iris as one of Bangkok's new social destinations, offering a rooftop experience that feels both sophisticated and relaxed, and appealing to young professionals, millennials, Gen Z and international guests who appreciate premium lifestyle experiences," said Mr. Pawatt Ongvasith, Chief Executive Officer of SO/ Bangkok.
